## A fun way for young and old to discover Bagnoles de l'Orne and its sights.

In 20 stages, the discovery trail is organised around the town's main buildings, urban spaces and green areas. The many themes covered include the environment, history, architecture, geology, myths and anecdotes. If you'd like to find out more, audio commentaries on the themes covered at each stage are available via flashcodes attached to the trail markers or audio guides for hire from the tourist office.

Für Kinder wird außerdem ein Frage-und-Antwort-Spiel angeboten. Die Familie Champimignon lädt die Kinder auf eine Reise ins Herz der Stadt ein und hilft ihnen, die Antworten auf die Fragen zu finden. Die Antwort befindet sich auf dem nächsten Schild.
